

To whom it may concern

Offer ENVI_MET SCIENCE License

Dear Madam or Sir,

We are pleased that you are interested in our products and make the following offer for the SCIENCE license:

As for research and education purposes we offer ENVI_MET Science for non-commercial applications. This special license can be installed on a maximum of 150 computers within **one** department – including use-at-home for students and teachers.

Costs: 990,00 Euro*/Year (*: additional taxes may add)

ENVI-met SCIENCE must be ordered from an official address of the research institute and with reference to the research unit it will be used.

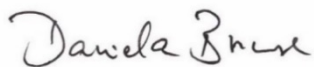

License: BioMET

The BioMET license is not included in the SCIENCE edition.

Costs: 450,00 Euro* (*: additional taxes may add)

The software is available 24 to 48 hours after confirmation of payment. This offer is valid until 31st of March 2019.

With kind regards,

Daniela Bruse
- CEO ENVI-MET GmbH -
